

main

```
graph LR; main[main] --> final_project[final_project::getStrategyfromString];
```

A diagram illustrating a function call. On the left, a white rectangular box with a black border contains the text 'main'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box has a black border and contains the text 'final_project::getStrategyfromString' on two lines.

final_project::getStrategyfrom
String
