

main

```
graph LR; main[main] --> final_project[final_project::PINN::dataset_3d::save];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box, on the left, is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'final\_project::PINN::dataset\_3d::save' in two lines.

final\_project::PINN  
::dataset\_3d::save
