

main

```
graph LR; main[main] --> func[final_project::pde  
::Heat_3D::solve_pure_mpi];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'main'. The right box is gray with a black border and contains two lines of text: 'final\_project::pde' and '::Heat\_3D::solve\_pure\_mpi'.

final\_project::pde  
::Heat\_3D::solve\_pure\_mpi
